Q. Can anyone recommend a good sci-fi heist movie?

I would love to watch something with a plot like Ocean's Eleven or Inside Man in a far future sci-fi setting. (more)

Improving freedom of speech across geographies with blockchain based discussion forum.

Discussion apps in 2023

- Centralized censorship weaken freedom of speech.

Solutions

- Distributed and decentralized censorship strengthen freedom of speech and it can be implemented by publishing important discussion threads over blockchain.

Blockchain can help distribute data across geography without any mutation.

Product

- Post Discussion threads.

- Create/Join Community.

- Publish your important discussion thread on blockchain in order to protect it from centralized censorship.
